Prompt #23

Product Name Brainstorm

Brainstorm 15 name ideas for [PRODUCT/SERVICE/PROJECT]. It should convey: [KEY ATTRIBUTES]. Target audience: [AUDIENCE]. Include a mix of: descriptive names, invented words, metaphors, and acronyms. For each, note the vibe it gives.

Prompt #24

Story/Narrative Builder

Help me craft a story about [TOPIC/EXPERIENCE] for [PURPOSE: presentation, blog, pitch]. Key message: [MESSAGE]. Include: a relatable opening, rising tension/challenge, turning point, resolution, and takeaway lesson.

Prompt #25

Social Media Post Creator

Write a [PLATFORM] post about [TOPIC]. Goal: [ENGAGEMENT/AWARENESS/CONVERSION]. Include: attention-grabbing opening line, valuable insight, and a clear call to action. Character limit: [LIMIT]. Add 3 relevant hashtag suggestions.

Prompt #26

Creative Problem Solver

I'm stuck on this problem: [PROBLEM]. Help me think about it from 5 different perspectives: 1) A child, 2) A competitor, 3) Someone from a completely different industry, 4) A minimalist, 5) Someone with unlimited resources. What would each suggest?

Prompt #27

Brand Voice Developer

Help me define a brand voice for [BRAND/PROJECT]. Our values are: [VALUES]. Our audience is: [AUDIENCE]. We want to sound like: [ASPIRATIONAL TONE]. Create a voice guide with: 3 voice attributes, do's and don'ts, and 3 example sentences.

Prompt #28

Email Subject Line Tester

Write 10 email subject lines for [EMAIL PURPOSE]. Audience: [AUDIENCE]. Try different approaches: curiosity, urgency, benefit-driven, personal, question-based. Keep each under 50 characters. Rate each for open-rate potential (low/medium/high).

Prompt #29

Analogy & Metaphor Finder

Help me explain [COMPLEX CONCEPT] to [AUDIENCE] using analogies. Create 5 different analogies or metaphors that make this concept intuitive. For each, note which aspect of the concept it best illustrates and any limitations of the analogy.

Prompt #30

Workshop/Meeting Activity Designer

Design a [DURATION]-minute interactive activity for a [MEETING/WORKSHOP] about [TOPIC]. Participants: [NUMBER] people, [CONTEXT]. Include: setup instructions, step-by-step facilitation guide, materials needed, and expected outcomes.

4. Productivity & Automation

Prompts to streamline your work and get more done in less time.

Prompt #31

Weekly Planning Assistant

Help me plan my week. My top priorities are: [PRIORITY 1], [PRIORITY 2], [PRIORITY 3]. Recurring commitments: [LIST]. Deadlines this week: [LIST]. Available hours for deep work: [NUMBER]. Create a day-by-day plan that front-loads the most important work.

Prompt #32

Task Breakdown Expert

Break down this project into actionable tasks: [PROJECT DESCRIPTION]. For each task: estimate time needed, identify dependencies, and flag any risks. Organize into phases. Goal: make each task small enough to complete in under 2 hours.

Prompt #33

Process Documentation

Document this process I do regularly: [DESCRIBE PROCESS]. Create a step-by-step SOP (Standard Operating Procedure) that someone else could follow. Include: purpose, prerequisites, detailed steps with screenshots placeholders, common mistakes to avoid, and a checklist version.

Prompt #34

Email Inbox Triage Rules

Help me create email triage rules for my inbox. I get emails about: [CATEGORIES]. My priorities are: [PRIORITIES]. Create a decision tree for: what to respond to immediately, what to schedule, what to delegate, and what to archive. Include template responses for common emails.

Prompt #35

Meeting Agenda Builder

Create an agenda for a [DURATION]-minute [TYPE] meeting about [TOPIC]. Attendees: [LIST]. Goals: [GOALS]. Include: time allocations for each item, discussion questions, decision points, and a pre-read section. End with clear next steps template.

Prompt #36

Habit Tracker Setup

Help me design a habit tracking system for these goals: [GOAL 1], [GOAL 2], [GOAL 3]. For each goal, suggest: daily micro-habits, weekly milestones, a tracking method, and accountability triggers. Base this on proven habit

formation research (cue-routine-reward).

Prompt #37

Delegation Template

Help me delegate [TASK] to [PERSON/ROLE]. Create a delegation brief that includes: context and why this matters, specific deliverables, quality standards, deadline, resources available, check-in points, and what success looks like. Tone: empowering, not micromanaging.

Prompt #38

Knowledge Base Organizer

Help me organize information about [TOPIC/DOMAIN] into a structured knowledge base. Categories to cover: [LIST]. For each category, suggest: what to include, naming conventions, and a template for entries. Design it so it's easy to search and maintain.

Prompt #39

Automation Opportunity Finder

Here's how I spend a typical work day: [DESCRIBE ACTIVITIES AND TIME]. Identify the top 5 tasks that could be automated or streamlined. For each: describe what to automate, suggest a specific tool or approach, and estimate time saved per week.

Prompt #40

Personal SLA Creator

Help me create personal SLAs (Service Level Agreements) for my work. My responsibilities include: [LIST]. For each, define: response time expectations, quality standards, escalation criteria, and capacity limits. This helps me set boundaries and communicate expectations clearly.

5. Learning & Career

Prompts to accelerate your learning and advance your career.

Prompt #41

Concept Explainer

Explain [CONCEPT] to me as if I'm a [LEVEL: beginner/intermediate/expert]. Use a real-world analogy. Then give me 3 practice questions to test my understanding, ranging from basic recall to application.

Prompt #42

Skill Gap Analyzer

I want to transition from [CURRENT ROLE] to [TARGET ROLE]. My current skills: [LIST]. Analyze the gap: what skills do I need to develop? Prioritize them by: importance for the role, difficulty to learn, and time investment. Suggest specific resources for the top 3.

Prompt #43

Interview Prep Coach

I'm interviewing for a [ROLE] at [COMPANY/INDUSTRY]. Help me prepare by: 1) Generating 10 likely interview questions for this role, 2) For each question, outline the STAR framework answer structure, 3) Suggest 3 strong questions I should ask the interviewer.

Prompt #44

Learning Plan Creator

Create a [TIMEFRAME] learning plan for [SKILL/TOPIC]. My current level: [LEVEL]. Goal: [SPECIFIC GOAL]. Break it into weekly milestones with: specific topics to study, practice exercises, and a way to measure progress. Include both free and paid resource suggestions.

Prompt #45

Resume Bullet Point Optimizer

Rewrite these resume bullet points to be more impactful. Use the formula: [Action verb] + [What you did] + [Measurable result]. Current bullets: [PASTE BULLETS]. Role I'm targeting: [TARGET ROLE]. Make each bullet quantifiable where possible.

Prompt #46

Negotiation Prep

Help me prepare to negotiate [WHAT: salary/raise/contract/deal]. My position: [CONTEXT]. What I want: [TARGET]. My alternatives if this fails: [BATNA]. Help me: frame my ask, anticipate objections with responses, identify my walk-away point, and script the opening statement.

Prompt #47

Book/Course Summarizer

I just read/completed [BOOK/COURSE NAME] by [AUTHOR]. Help me retain what I learned by: 1) Asking me 5 key questions about the main concepts, 2) After I answer, fill in gaps and correct misunderstandings, 3) Help me create 3 action items to apply what I learned this week.

Prompt #48

Mentor Question Generator

I have a meeting with my mentor who is a [MENTOR'S ROLE/EXPERTISE]. I'm working on [CURRENT CHALLENGE]. Generate 5 thoughtful questions that: go beyond surface-level advice, draw on their specific experience, and help me think about my situation differently.

Prompt #49

Career Story Builder

Help me articulate my career story for [PURPOSE: networking/interviews/LinkedIn]. My background: [BRIEF HISTORY]. Key transitions: [LIST]. What I'm passionate about: [PASSIONS]. Craft a compelling 2-minute narrative that connects the dots and shows intentional growth.

Prompt #50

Feedback Processor

I received this feedback: [PASTE FEEDBACK]. Help me: 1) Separate the factual observations from opinions, 2) Identify the most actionable points, 3) Create a 30-day improvement plan addressing the top 2-3 areas, 4) Draft a response thanking the person and sharing my plan.
